Putting the love of Christ in the heart of our community.

The month of January is named after the Roman god Janus, their god of doorways, gates and thresholds, of beginnings and endings. He is usually depicted with two faces looking in opposite directions, one looking forward and one back.

As we begin a new year, we are also in a time of transition. We look back to the celebrations of Christmas and look forward to new beginnings in 2026. In churches throughout the world, people will have remembered, once again, the wondrous birth of the baby Jesus. But this was just the beginning – that baby would grow up to be our Lord and Saviour, the Light of the World.

We can look back with joy to those lovely carol services, but we must also look forward to carrying that light of Christ out into the world around us, a world that is so desperate for good news and signs of hope. We don't have to do this alone because we have the promise of God's Holy Spirit to help us and we have the support of our Christian family around us.

We also look forward to the arrival of new members of our Christian family. We welcome Revd Dr Julian Davies and his family to our benefice and pray that God will bless them richly as they join us here.

As we see the new shoots of the snowdrops pushing through the hard ground into the light, may we see new shoots coming through from the roots of our Christian faith as we move forward into this next year. Things may not be easy, but we should never give up. The prophets, disciples and early Christians that we read about in the Bible, certainly struggled at times, but their faith kept them going.

Jeremiah 33.3 says, '*Call to me and I will answer you and tell you great and unsearchable things you do not know*'. We may not know what lies before us, but we do know we have a loving God who will guide us and show us the way forward. May we continue to come before Him in prayer and praise in the days to come and be willing to listen to His voice.

One of the biggest transitions to have occurred in this last year has been the overwhelming emergence of Artificial Intelligence (AI). I must admit that I am very wary of it, but while thinking about this reflection, I came across an AI example prayer for a new year which I think is rather appropriate. '*Lord, as winter's cold gives way to hints of spring, help us to see the buds of hope in our own lives. Teach us to number our days, not with anxiety, but with purpose, using the spiritual gifts you've given to be Your hands and feet in a world that needs Your light and love. May we find glory in your presence, even in the mundane, and live each day as a gift, ready to share the hope of Christ with all we meet. Amen'*

We didn't meet in December, but now we are looking forward to 2026 and potentially 9 breakfast meetings being planned. We are lining up speakers for next year, and first off, in January, we will be pleased to welcome Steve Reed, who has agreed to share some of his life story using our recently introduced style of interview, loosely along the lines of the Radio 4 programme, '*Desert Island Discs*'. This will be an **open meeting**, so everyone, men and women are invited. But please do let me know at least a week in advance if you will be coming as I will need to let the Woodborough Inn know an estimate of our numbers for the Saturday. That breakfast together will be on **Saturday 10th January**.

As usual I will send reminders to all on the mailing list. Do consider joining us if you have not been before, or invite friends too, as we have capacity for more at the Woodborough Inn. The price of a small English breakfast is £11.50. The vegetarian option is £10.50. Other breakfast options will be available, but *these do need to be pre-booked*.

To book your place for the January breakfast contact Tim Harland on 01934 843248.

The Churchwardens of St James's Church are very grateful to Chew Valley Gas and Oil (based in Winscombe), for all their help, support and advice in recent years, with heating and plumbing provision.

Winscombe to Delhi by Bike

Did you know that we have two intrepid explorers in our midst? Alysun and Tim were inspired by travel writer Dervla Murphy, to enjoy their early retirement by cycling to India in six 1,000-mile stages, each taking about a month. **Come and learn about their adventures, illustrated by Tim's spectacular photographs – see below for details.**

They began their project in 2015, and reached Delhi in 2022, cycling across Europe to the Black Sea, before crossing the Caucasus mountains, and then through Georgia, Armenia and Iran. Finally, they crossed India – from Dwarka in the west and then on through Vrindavan, Gujarat and Rajasthan into Uttar Pradesh and eventually, in 2024, they reached the temple beach town of Puri by the Bay of Bengal in the east.

Badgerset Concert - December 2025

For many years, we have been privileged to enjoy a wonderful Christmas concert by local folk group Badgerset, and this year was no exception.

On Saturday 6th December, Badgerset performed their 2025 concert to a sell-out audience at the Church Centre in Winscombe. The group is made up of musically talented members of 5 families who each have a connection to Mendip Morris.

We were entertained with an eclectic mix of Christmas music; folk tunes and songs from ancient to modern; dance and humour. The audience was soon singing along with the more familiar tunes and choruses. Instruments played included guitars, bodhran, accordion, violin, flute and penny whistle.

Members of Mendip Morris performed one of their dances and we were treated to a very amusing retelling of the story of David and Goliath. If you are wondering how this particular bible story is related to Christmas, don't forget the words from While Shepherds Watched; *"To you in David's town this day, is born of David's line, a Saviour who is Christ the Lord and this shall be the sign."*

A fantastic evening which raised £1,200 shared between St James's Church in Winscombe and All Saints in Sandford. Over the last twelve years, an amazing £10,000 has been raised by Badgerset for the two churches. Thank you!

Our thanks to all involved in playing, singing and providing the delicious refreshments.

Children's Society Christingle Celebration

This Christmas we decided to do the Christingle Service in a different way! In order to try to involve as many children as possible, the Children's Society Committee approached Winscombe Primary School and asked if we might hold the Christingle there.

The Head, Mrs Baker, was extremely welcoming and in early December we went to Linden Class (Year 3) and explained to them how Christingle began and what it represents;

they then each made a Christingle.

They used an apple to represent the world, red tape round the apple to show the love of God for the world, four orange sticks with a grape, some sultanas, a piece of carrot and a sweet to represent the four corners of the earth and the four seasons of the year. Finally, a candle was placed on the top of the apple. We then went into the school hall for assembly where the children of Linden Class stood at the front and explained the meaning of the Christingles to the other classes in the school. We sang two songs, said a prayer and then the candles were lit, the lights were dimmed, and we all sang a verse of 'Away in a Manger'. It was a magical occasion and Mrs Baker has very kindly asked us back again at Christmas 2026!

Between courses, the Christmas cracker jokes and RAF Christmas anecdotes were shared, and the Chairman read out a version of the Christmas Story that involved animated humorous audience participation! The meal ended with coffee and port for the Loyal Toast, after which the President and Chairman thanked members for their continuing support and some planned highlights for 2026. The finale was the drawing of the last four winners in the multi-prize Christmas raffle.

Sour Grapes

My home is close by the wooded slopes of Mendip and recently, I have heard the unnerving cries, barks and shrieks of foxes throughout November, now December and usually into January. Though sounding horrific, this is normal behaviour. Foxes are crepuscular and usually around at dawn and twilight. They are searching for a mate, defending their territory, or creating a new territory in which to bring up a family. The gestation time is 52 days so cubs are born in March or April.

There is much folklore about foxes presumably because for hundreds of years they have been a common sight in the countryside. My title began when I wondered what the expression 'sour grapes' actually means. It means disparaging or something that one cannot attain. The expression comes from one of Aesop's fables, '*The Fox and the Grapes*', and is about a fox that cannot reach some grapes. Instead of admitting defeat or asking for help, he announces that they are sour anyway. A lesson to be learned!

Foxes are very territorial and within their territory have several hiding or sleeping places called lairs, but to give birth they build a more substantial den that has several entrances for safety. The cubs stay in the den for about 3 weeks, usually in March, feeding on milk, but in April or May they emerge to explore and play near the den.

Once the cubs are about 2 months old, the mother will leave them at dusk or dawn to hunt for food, but at times they are forced to hunt in daylight, and this is when trouble comes for the fox and poultry keepers. Foxes are completely opportunistic, looking for almost any meal. They can climb a 6-foot-high fence or squirm through pig netting. They are omnivores eating a wide range of foods including small mammals like mice and rats, garden birds and their eggs, invertebrates such as slugs and earthworms, fruit and nuts in season, and carrion. Even with such an availability of food, the fox is still, on occasion, forced to hunt in daylight as my photos show. It is 9.30 am and the fox is looking around. He or she decides it is safe to enter the goose house - it is empty - unlucky this time!

Despite this threat, mainly in May and June, I have respect and a liking for foxes. They have been persecuted relentlessly for hundreds of years so that their numbers are declining in rural areas. This is partly because killing of foxes and their cubs is indiscriminate using legal and unfortunately illegal methods such as poisoning and blocking dens in the cubbing season. Foxes are not highly protected like badgers (that kill more hens in my experience!) or deer (that have a close season). However, they are protected from abuse and cruelty by Act of Parliament 1996, which must be hard to enforce. Meanwhile foxes are finding more food and safety in our towns.

RECENT FINANCIAL RESULTS

As reported in December, on Saturday 8th November, the Branch held a Pop-Up Sale inside Winscombe Community Centre. Footfall was steady but less than in 2024, nevertheless, the sale raised the sum of £958 on the day but there is still some more money to come from post-event online sales. The Mendip team was joined by two ladies from the Portishead Branch who brought RNLI Christmas cards, calendars and diaries; they made additional sales totalling over £300, so a good day for the RNLI.

On Saturday 22nd November RNLI Mendip Branch presented a Folk Concert by the trio '*Granny's Attic*' in St James's Church Centre that was attended by 105 folk connoisseurs. The audience was treated to a wonderful blend of Dorset folk songs and foot tapping jigs, delivered in the energetic and showman '*Granny's Attic*' style by the three lads from Worcester who complemented the responsive audience at the finale. The concert made a profit of £846 for the RNLI (ticket sales profit £490, raffle £116 and bar £240). In addition, a kind supporter donated four tickets to the Branch for a folk concert in Bristol and these were re-sold on the night for a further £120.

TESCO SUPERMARKET COLLECTIONS IN DECEMBER

During December, Branch members conducted RNLI bucket collections at three TESCO supermarkets. Starting on Saturday 6th December with the TESCO store in Wells when

'*Stormy Stan and Stormy Sonny*' were in attendance. The TESCO Nailsea store followed on Friday 12th December, and finally on Christmas Eve, at the TESCO Shepton Mallet store when once again '*Stormy Stan and Stormy Sonny*' were in attendance, plus carrots (supplied by TESCO) that '*Stormy Sonny*' gave to the shoppers to feed the reindeer that evening! The result from TESCO Wells was £747 but full results and some more photos will be available for the February issue.

VOBSTER SANTA DIVE – SUNDAY 14th DECEMBER

Once again, the Vobster Quay Activity Centre near Radstock hosted their charity Santa Scuba Diving event to raise money for the ‘RNLI and Help for Heroes’. A host of divers dressed in Santa suits with fluffy white beards hit the water en masse in an effort to raise money for the two charities. RNLI Mendip members represented the RNLI supported by ‘Stormy Reindeer and Stormy Sonny’ along with the mascot from the local Help for Heroes branch. Full results and photos will be available for the February issue.

RNLI MENDIP BRANCH ANNUAL SUPER QUIZ – SATURDAY 31st JANUARY 2026

The first RNLI Winscombe Branch event of 2026 will be our Annual Super Quiz at 7:00 pm on Saturday 31st January in Shiphэм Village Hall, New Road, Winscombe, BS25 1SG. The quiz will be for teams of six (£12.50 per head or £75 per team) and will include the usual mega ploughman’s supper, a bar and a multi-prize raffle. Doors will open at 7:00 pm and the quiz will begin at 7:30 pm. To book tickets contact Tina Joyce by email meejlfh@gmail.com or call 01934 842304 for more details.

RNLI MENDIP FOLK CONCERT BY MARK WAISTELL - SATURDAY 21st FEBRUARY

RNLI Mendip Branch intend to present a folk concert by the singer and musician, Mark Waistell starting at 8:00 pm (doors open 7:15 pm) on Saturday 21st February (date TBC) in St James’s Church Centre, 52 Woodborough Road, Winscombe, BS25 1BA. Mark is a singer songwriter based in Devon; his music is folk acoustic based, but draws on many influences including classical, traditional, ragtime and rock. Tickets costing £15 are obtainable from James Barattini – email winscombe.folk@gmail.com or call 07703 538861. There will be a bar selling beers, ciders, wine and soft drinks, plus a raffle in aid of the RNLI.

NOVEMBER SHOUTS

In November there were five ‘shouts’ between three of our four Somerset Lifeboat Stations (Burnham-on-Sea – 1, Portishead – 2, Weston-super-Mare – 2).

On Saturday 8th November Portishead volunteers were tasked at 11.49 am to assist a barge suffering intermittent engine failure off Avonmouth (very close to Portishead Pier), that had two people on board.

On arrival the Helm Mike, checked that both crew members on board the stricken vessel were fit and well. Once that was confirmed the crew rigged the tow, pulled the barge back to Portishead Marina lock, and then waited a short time for the vessel, currently in the lock, to be released. The crew then entered safely with the barge in tow.

Gardening Notes for January

Tool Maintenance

Post-Christmas is a good time for maintaining and organising your garden tools. There are

many ways to store tools, but the best solution is a simple line of hooks on a shed or garage wall. Once you have the storage organised, make sure the tools are clean and sharp. Tools should be cleaned with a brush, dipped in water, after every use; a clean spade is much easier to work with. To sharpen blades, drip a few drops of oil on a whetstone and push the blade up the stone away from you, or alternatively, use a diamond tool sharpener or sharpening steel.

Mahonia

Mahonias are dramatically architectural plants that produce long strings of dainty yellow flowers that open from late summer through winter until late March with a fragrance that's said to resemble lily-of-the-valley, followed by blue-black berries that are favoured by blackbirds. Most soils are suitable, and they are happy in full sun or part shade. No regular pruning is necessary but if they do need to be reduced, cut back to a sideshoot after flowering. It's a good idea to cut back a couple of branches each year.

Hellebores

Keep hellebores pristine by cutting back last year's foliage to reveal the blooms to their best advantage. Removing the foliage also helps to control hellebore leaf spot fungus which causes unsightly brown scars on the leaves. New foliage will soon emerge from the base to make a backdrop to the flowers as they continue to bloom.

Chillies

These need a long growing season so now is the time to start sowing seeds. Sprinkle the seeds thinly on a seed tray or small pot using seed compost, water well and place in a heated propagator at 27°C in the greenhouse or, if placed indoors, on a windowsill propagator. Seeds should germinate within 10 days and should be grown on until they have produced at least one pair of true leaves when they can be moved on into individual pots. These will need to be potted on again before being potted up into their final pots. Feed weekly with a high nitrogen feed until the flowers form when you need to change to a high potash feed.

Azaleas

Many indoor azaleas given as presents, will need caring for if they are to bloom again next year. Remove any spent flowers and lightly trim the newest growth. If the roots have filled the pot move into a slightly larger one using ericaceous compost, water regularly with rainwater and apply a liquid feed over the summer.

Update from Tessa Munt, MP for Winscombe, Sandford and Churchill

Happy New Year! I'm looking forward to working with you and for you in 2026.

I really enjoyed UK Parliament Week last month, visiting schools and youth groups across the area. I love talking with students, teachers and leaders and taking their questions. I look forward to many more visits in 2026 - both here and when schools and other groups, come on trips to Parliament.

On Budget Day, my colleagues and I joined farmers protesting against the family farm tax and voted against it in Parliament, along with several other proposals which simply won't work for local residents. I'll continue to press government to drop their unfair taxes which will have a devastating impact on residents and businesses in the West Country.

This last month, I've been on committees examining every line of The Public Office (Accountability) Bill (generally known as 'the Hillsborough Bill'); legislation relating to Armed Forces Chaplains; the Church of England's redress scheme for abuse victims and the Infected Blood Compensation Scheme Regulations.

I've asked questions about police reform, business rates, prisoner releases, rehabilitation, books in prisons, the 1994 RAF Chinook crash, re-organising local councils, the loss of grant information by the last government, estate agents' checks on homebuyers, and Sudan. I also led a debate on ME, a condition affecting 1,300,000 people in the UK.

As ever, if you have any concerns or anything you'd like to talk to me about, please write, call or come and see me. A full list of my surgeries is available when you call or email me, but these are your most local:

Monday 19th January from 09:30 to 10:30 at **Congresbury Community Café**
Friday 23rd January from 10:00 to 11:00 at **The Market Kitchen Café, Churchill**
Friday 23rd January from 11:30 to 12:30 at **The Coffee Bank, Winscombe**
Friday 23rd January from 13:30 to 14:30 at **The Note Warehouse, Yatton**
Friday 23rd January from 18:00 to 19:00 at **The Brewer's Arms, Banwell**

No appointment is necessary - it's first come, first served. If you can't come to meet me, I'll come to see you.

I know that for many, the transition into a new year can be difficult, and the cold weather and dark evenings linger heavily. However the new year affects you, I wish you peace and happiness for 2026.

Thank you.

Tessa

Somewhere out there, someone still
remembers a moment with you,
a smile, a kind word, a little help that
you might've forgotten you gave.
Maybe you held a door,
or listened when they had no one else.
Maybe you made them feel seen
on a day when they were disappearing
inside themselves.
You might never know it,
but you became part of someone's story,
the gentle part, the good part.
So even, when the world feels harsh,
keep being that kind of person,
because kindness never really ends
where you leave it.

Time to Learn to Pray

'Lord, teach us to pray.' In Luke's Gospel it's these words, spoken by the disciples, that cause Jesus to give them the Lord's Prayer (Luke 11: 1-4). Jesus says to his friends, *'When you pray say: Father, hallowed be your name. Your kingdom come. Give us each our daily bread. And forgive us our sins, for we ourselves forgive everyone indebted to us. And do not bring us to the time of trial.'*

Many of us think that we should be able to pray automatically, and that if we can't, it's either because 'it's not our thing' or because we're failing. Yet in Luke's Gospel, the disciples still need to ask Jesus how to pray, even after they've been knocking around with him for ages. So maybe we should give ourselves a break and accept that working out how to pray is not obvious and that all of us need to learn.

In 2026, I'm asking all of us across our Diocese of Bath and Wells to make the year one of especial focus on prayer. I'm hoping we'll all be able to say the words '*Lord teach us to pray*' and that together we'll all grow in our experience, understanding, insight and practice.

How can we learn about prayer? We have to make a start. We need to make some mistakes. We need to learn from others. It doesn't happen in the abstract. Prayer is a '*learning by doing thing*' where if we stick at it, we grow and change.

How might you learn to pray more this year? There isn't a master plan designed to get everyone on their knees. Most action will happen locally where we can identify what we need, work out who can help us, and then get underway. Some simple resources, designed to be helpful, are being made available. More importantly, please do talk to your vicar or other church leaders about what might be possible where you are.

Together, let's say these words in the year that is to come, '*Lord, teach us to pray.*'

A very happy New Year to you all.

Michael Beasley, Bishop of Bath and Wells
